1	Rudraraj Singh Bhati	Individual project owner / presenter	All sections	Prepared the Tableau analysis, published dashboard and Story, web presentation, testing evidence and report.	Active

Team coordination notes

Aspect	Details
Team leader / coordinator	Not applicable — solo project.
Overall coordination rating	Not formally rated; individual workflow managed by project owner.
Issues during demonstration	Potential need to check Tableau loading, visible filters and browser layout before starting.
How issues were resolved	Pre-open published links, confirm rendering, use a backup direct Tableau Public URL, and record the final website screenshot.
